Skiing and snowboarding can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross-country and other specialized equipment, such as that used by the disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code listed and share with other skiers the responsibility for a great skiing experience.

Be safety conscious and KNOW THE CODE. IT'S YOUR RESPONSIBILITY. This is a partial list.
